

NYC Construction Mentorship & Bond Readiness Programs Graduates & Profiles, 2013 - 2016

183 construction and trade firms have graduated from the New York City Department of Small Business Services' NYC Construction Mentorship & Bond Readiness programs to date. The majority of these firms are City-certified Minority- and/or Woman-Owned Business Enterprises (M/WBEs).

NYC Construction Mentorship graduates received extensive business and construction management training, one-on-one mentoring from a construction management firm, and were recommended specific actions to help grow their businesses.

NYC Construction Mentorship Training Topics:

Prevailing Wage	Safety Management	Project Labor Agreements	Estimating
Scheduling	Document Controls	Business Planning	Bidding Strategies

Bond Readiness graduates received extensive financial training and management guidance to strengthen back-office operations and financial management processes, and were introduced to surety agents. Many received surety bonds or were designated "bond-ready".

Financial training included topics such as:

Estimating	QuickBooks	WIP Schedule	Bond Claims
Business Credit	Tax Accounting & Sureties	General Indemnity Agreements	Scheduling

The trade index of graduated that immediately follows provides links to each firm's M/WBE Online Directory profile, if available. Thereafter is a table profiling each graduate firm, including complete contact information and a brief description of their services and relevant project experience.

Trade Index of Graduate Firms

Selecting the highlighted links below will bring you to each firm's profile in the SBS' [M/WBE Online Directory](#). Complete contact information, a brief business description and project experience are provided for each graduate firm on the profile pages that follow this index. Firms who are not certified, or whose certification may have lapsed, will not appear in the Directory.
